Dear friends and graphics enthusiasts,

We are proud to announce the results of the 3rd year of the international BlackLine competition, in which you and your students participated after the announcement by our school in October 2020.
Thank you and your students for all the entries you have sent to us. You are one of the many addressed secondary schools in Slovakia, the Czech Republic, Germany, Croatia, which have a similar professional focus and which have joined our challenge.
We were pleased with all the work we received and entrusted their evaluation to a renowned jury, which we specially assembled from people actively working in the field of graphic design and advertising. All members of the jury appreciated the imaginativeness and creativity of the entries.
We are therefore pleased to announce the jury´s decision.
